

Another year has quickly gone by, and believe it or not, the 2012 softball season is approaching. Once again, the **Newtown Girls Softball Association** is asking for your much needed support. Please consider becoming a “Rock” sponsor. Your donation & sponsorship will help offset the rising costs associated with running our league and maintaining the fields at Helen Randle Park, located on Swamp Road adjacent to Bucks County Community College.

Thanks to the continued support and generosity of many individuals and businesses in the community, we have been able to expand our organization and provide a better playing experience to over 500 young women. With funds raised over the past few years we have been able to re-grade fields, update and upgrade equipment, provide new benches and backstops at the park, offer free Coaches and Player Clinics to the community, and further the promotion of girl’s softball.

Our recreational program continues to be the model for other leagues in the region and our travel program is nationally recognized. We organize over 500 girls from the U-8 to U-18 ages, playing on over 40 teams. Our recreational season runs for approximately 5 months with our travel program training and competing all year round.

The Association sponsors spring, summer and fall tournaments that bring thousands of families to our area every year. We host teams traveling from New York, New Jersey, Delaware, Maryland, Virginia, just to name a few. We not only showcase our teams during these events, but our great community as well. Support during these events from our local businesses has made our tournaments enjoyable for all and bring these teams back year after year.

No matter if they are beginners or highly skilled, competitive athletes; we offer programs that meet all of their needs. We not only promote the advancement of the sport, but also teach our young women the values of sportsmanship, community, and service through a Mentor/Community Service program. There is no better feeling than watching these young ladies develop over the years, making new friends along the way and, most importantly, growing into the Woman of Tomorrow.

So join us in this great endeavor and take the next step. Fill out the 2012 Sponsorship/Donor Form and make a girl smile. Every penny helps and no donation is too small. If you have any questions, please feel free to contact Sam Andra @ 215-852-2683, sam.andra@verizon.net or Joseph A. Garvey at 215-783-0427, Chefjosepha@aol.com.

Our girls, their families, coaches and the Board thank you in advance for your generosity, and we look forward to seeing you out on the fields!

Sincerely,
Joseph A. Garvey -President
